Image Alignment

In-line images can be individually aligned (vertically). Most of the values for "vertical-align" are supported: top, bottom, middle, baseline, text-top, and text-bottom. The default value for vertical alignment is baseline, and the default padding 0, consistent with most browsers.

These images are **top** aligned 
These images are **text-top** aligned 
These images are **bottom** aligned 
These images are **text-bottom** aligned 
These images are **baseline** aligned 
These images are **middle** aligned 
Mixed alignment

baseline:  text-bottom:  middle:  bottom:  text-top:  top: 

Image Border and padding

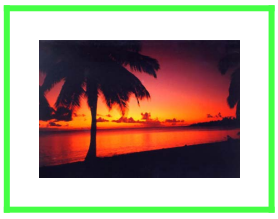

Image padding is supported as well as border and margin.

Rotated Images
